

SWEET AND CLEAN Hang onto a taste of summer with the **Hawaiian Coconut Exfoliating Fruit d'arbre Body Bar** from **Bryce Organics**. The hypoallergenic body bar is filled with organic coconut and premium sugar cane. It is made with a pure soy based formula and enriched with moisturizing organic extra virgin olive, apricot kernel and avocado carrier oils for soft skin while the coconut helps to stimulate collagen, says the company. www.bryceorganics.com

FLAWLESS PHYSIQUE
Get a smoother and slimmer physique the easy way with the **CoffeeBerry Slimming Body Complex** by **Priori Skin Care**. The uniquely formulated natural body treatment improves skin tone and promotes smoother body contours as it softens, tightens and firms the skin while the potent coffeeberry extract protects the skin against visible signs of aging, says the company. www.prioriskincare.com

ROSY RENEWAL

Lather your body with a delightful floral scent with the **One With Nature Rose Petal Body Lotion**. Nourishing ingredients including Dead Sea minerals and shea butter protect skin against aging and leave the body feeling clean, healthy and rejuvenated, says the company. www.onewithnature.com

ORGANIC ESSENCE

Olive
SPA EXPERIENCE

Organic Olive Essence® is a natural source of olive extracts formulated to complete skin absorption and protect from environmental stress.

Olive extracts contain polyphenols which is a potent anti-oxidant. Olive extract also help in keeping the skins natural moisture, making it one of the most sought after anti-aging sources.
